Dear Robert,

Well, I haven't heard from you for quite awhile either you're not writing or your letters aren't getting through to me.

I told you in my last letter that we have finally been granted exit visas for leaving the Soviet Union will probably be in the states in the spring.

You once said that you asked around about whether or not the U.S. government had any charges against me, you said at that time "no", maybe you should ask around again, it's possible now that the government knows I'm coming they'll have something written matter wrote me a letter the other day in which she informed me that the Marine Corps had given me a dishonorable discharge in Nov. 1959

Did you know this?

Of course, this is not too bad, since it relieves me of some duty, but still I should take this into account.

I wrote a letter to John K. Connolly, Secretary of the Navy, who lives in Ft. Belknap, asking about my dishonorable discharge matter you could ask him to look into the case since I don't know whether the Russians will let that letter through.

You said you were sending us something but it still having gotten everything sent worry packages are very slow coming and going.

The Embassy said they will see about a loan for us when we leave so it seems our money problem will not be too acute.

Marina still has a month to go so by the time you get this letter you'll be pretty close too being on week. March 1 is the big day.

Marina sends her love to all, as
I do hope to see you all soon.
I still don't know where we'll settle
Lol. Lot of like New Orleans.
How's the hunting out at the farms?
How the weather, and all?
If you find out any information
about me, please let me know, I'd like
to be ready on the draw so too, speak
will keep writing until we
get ready to leave so don't quite
writing
your brother
Lee Marina
