Dear mother

In the last few days I have received 5 letters from you dated Feb. 25 clippings and was also in one letter some more clippings thank a lot for them I'm glad you know about the baby also.

They seemed to write about one in the paper, but I talked too much, but I'm glad to see you supported me in your own way.

I did write a letter to the Secy of the Navy in Jan. 1964. I got a reply on Friday from some General telling me about a removal of my honorable discharge into an undischarged one.

... I should be in the line in May at 25. ...
... support me ...
... necessary after all, however ...
... Special of ...
...
... as you may see ...
... I would be a ...
... about me. ...
... about that for ...
... in fact, ...
... of support ...
...
... all is well with ...
... and the baby, ...
... still was 58 centavels ...
... don't know ...

is just everything in normal, right down to June's little finger nails. I don't think will be at this address much longer. so it is not advisable for you to visit here.

The reason for the delay in some letters and the special in others is because of the person who reads all letters.

I was not aware you sent other letters to me in the Hotel when I lived in Moscow. I left there for months after I wrote that letter.

I cannot say where we shall go at first probably directly to Havana.

Handwritten notes and stamps on the reverse side of the letter, including a large 'OABI' stamp and a date stamp 'MAR 29 1964'.

Dear Mother

In the last few days I have received 5 letters from you dated Feb. 25 clippings and Mar 1st also in one letter some more clippings thanks alot for them

Im glad you know about the baby also.

They seemed to write alot about me in the paper's, Rob talked too much, but I'm gl to see you supported me in kyour own way.

I had written a letter to the Secretary of the Navy in Jan. 1962 I got a reply yesterday from som General telling me about t reversal of my honourable discharge into an undisireab one.

we should be in the States in May at the latest the Embassy has agreeded to loan me \$500.00 for the trip, and also they excepted my own affidavit of support so yours wont be necesary after all, however dont try to get that business man friend of your's to cancel his affidavit, it may come in handey some day.

as you say my trip here would make a good story about me. I've allready thought about that for quite awhile now, in fact, I've allready made 50 pages of longhand notes on the subject.

All is well with Marina and the baby, her lenght. at birth was 50 centametres (I don't know howmany inches that is but everything is normal, right down to June's little fingernails

I don't think well be at this address much longer so it is not advisable for you to write here.

The reason for the delay in some letters and the speed in others is because of the Russian censor who reads all letters.

I was not aware you sent other letters, to me in the Hotel when I lived in Moscow as I left there for Minsk after I wrote that letter.

I cannot say where we shall go at first probably directly to Vernon.

Love xxx

Mamma unfortunately, doesn't speak any English at all, I would like her to learn, and she bought some books on the subject but for now she doesn't want to learn, she speaks little French already, (she learned in grammar school), and she doesn't want to study another language for now, she really does not have the time you know, what with her working from 10-5 and then at least now but it doesn't matter for now.

Well, that's about all for now.

I'll try to write more often.

Love

Lia

P.S.
